Please read in its entirety and direct questions to Ellen Jelly (860) 648-5000 Ext. 3338 or Kristen Kozel (860) 291-1295.

All students interested in participating in athletics at South Windsor High School for the 2017-2018 school year must register online. Parents please access your parent portal account with your username and password on the SW school district website under the Parents/Students section. This will allow you to access the online athletic registration. ***We strongly encourage parents to register students interested in athletics for the fall, winter and/or spring prior to Monday August 7, 2017. Please indicate the sport your child is interested in playing for each season at this time.**

****The student-athlete will need to go through this online registration with the parent, as one section requires both of you to read and sign off on the concussion education and cardiac arrest information.**

- 2.) Physician's Statement (**dated after June 1st 2017**)
