

The **National Honor Society** is currently inviting eligible candidates to complete the selection process. Any junior or senior who has a cumulative, weighted GPA of 3.67, should receive a letter in the mail notifying them of their candidacy. Any student that does not receive a letter, but feels they might be eligible, is asked to email Mrs. Farrell at afarrell@swindsor.k12.ct.us by Wednesday, October, 7th.

Each eligible student is also required to complete a candidate packet which will be used along with information from their past and present teachers, to determine if a student will be invited to join NHS. This decision is made by a Faculty Council with assistance from the advisor. For more information about the selection process, please see the chapter bylaws on the NHS website.
