March 27, 2020

Dear SWHS Families,

I hope this communication finds you and your family well. As Dr. Carter mentioned in her most recent communication to families, we will be out of school until at least April 20th. Below is information for those students who may need an important item from the high school...

Students Who Need Critical Items: With on-going distance-learning, we recognize there may be circumstances where your child may need to acquire school materials from the high school in order to complete school assignments. In order to comply with *Stay Home and Stay Safe* and social-distancing measures, we are offering an opportunity for students to acquire these materials by appointment only. If your child needs critical items and/or school materials to complete distance-learning activities, please use the following process:

- Student or parent/guardian should email the Associate Principal Secretary Kate Schworm at: kschworm@swindsor.k12.ct.us
- Please include the following information in the email:
 - Full name of student
 - Grade
 - Best time of day to acquire item(s): morning, afternoon, or either
 - School item(s) needed and location in the building
- **Please email Ms. Schworm with the information above by 9 a.m., Monday, March 30th.** Someone from SWHS will make direct contact with your family early next week with the date/time to pick up the needed school material(s).

Free access to ebook & audiobook resources: For students looking for books for enjoyment, I am providing a link to free ebook and audiobook resources. All of the information students will need to access the books is on the webpage. For any questions regarding this, please email Mrs. McCool (SWHS Librarian) at tmc-cool@swindsor.k12.ct.us

Direct link to the audio & eBook site:
