Preface

The purpose of law relating to the employment of minors is to provide equal protection for both minors and employers. The minor is protected from performing harmful or hazardous work, and the employer is protected from placing a minor into employment based on falsified information.

Additional information relating to labor law is available through the Connecticut Department of Labor (CTDOL), Wage and Workplace Standards Division, 200 Folly Brook Boulevard, Wethersfield, CT 06109. You may also contact the Wage and Workplace Standards Division at 860-263-6791, or visit their Web site at [CTDOL Division of Wage and Workplace Standards](#).

The **Certificate of Age Form ED-301** is in compliance with Connecticut statutes and regulations relating to the employment of minors and the policies set forth by the State Board of Education for issuing such certificate. The Connecticut State Department of Education (CSDE), Bureau of Health/Nutrition, Family Services and Adult Education, has been designated as the agent to provide access to these certificates to: superintendents of schools of any local or regional board of education, their designated agents (i.e., issuing agents), or the supervisory agent of a nonpublic school. Section 10-193(a) (as of July 1, 2017), states that:

The superintendent of schools of any local or regional board of education or an agent designated by such superintendent, or the supervisory agent of a nonpublic school shall, upon application and in accordance with procedures established by the State Board of Education, furnish, to any person desiring to employ a minor under the age of eighteen years (1) in any manufacturing, mechanical or theatrical industry, restaurant or public dining room, or in any bowling alley, shoe-shining establishment or barber shop, a certificate showing that such minor is sixteen years of age or older, (2) in any mercantile establishment, a certificate showing that such minor is fifteen years of age or older, and (3) at any municipal or private golf course, a certificate showing that such minor is fourteen years of age or older.

Requests for further information relating to these certificates for minors may be directed to Marcy Reed, Education Consultant, Connecticut State Department of Education, Bureau of Health/Nutrition, Family Services and Adult Education, 450 Columbus Boulevard, Suite 508, Hartford, CT 06103. You may also contact Marcy at 860-807-2130 or marcy.reed@ct.gov.

PART A – Certificate of Age Form ED-301: Working Papers

General Requirements for Issuance

To ensure that there is an effective and timely process for the issuance of the Certificate of Age Form ED-301 to minors seeking employment, the following guidelines are provided to assist the designated issuing agent in issuing the certificates.

1. Purpose and Prerequisites for the Certificate of Age Form ED-301

As outlined in Section 10-193 of the C.G.S., the purpose of the Certificate of Age Form ED-301 is to ensure that individuals under the age of 18 have proper documentation of their age and are employed in occupations that are acceptable under the law.

Connecticut issues the **Certificate of Age Form ED-301** to:

- minors 16 and 17 years of age who desire **nonhazardous** jobs in any manufacturing, mechanical, service recreation, amusement, restaurant or mercantile establishment;
- minors 16 and 17 years of age who are students enrolled in a CSDE-approved Career Pathways/Cooperative Work Education Program and are assigned to a worksite experience in a potentially hazardous experience, as defined by the CTDOL;
- minors 15 years of age or older who desire **nonhazardous** jobs in any mercantile establishment; and
- minors 14 years of age or older who wish to work as a caddie or in a pro shop at any municipal or private golf course.

The Certificate of Age Form ED-301 (Appendix A) is used as verification of a minor’s legal age for employment purposes. The superintendent of schools of any local or regional school district, their designated agents, or the supervisory agent of a nonpublic school, shall issue the Certificate of Age Form ED-301 to any resident minor who desires employment and has met all the requirements for being issued a Certificate. This employment certification is also commonly referred to as “**working papers.**”

In performing their duties as issuing agents of the Certificate of Age Form ED-301, all issuing agents of any local or regional school district must adhere to the following minimum requirements:

- all supporting documents must be authentic, not altered or contain erasures;
- a minor must have reached the exact age required by law - under no circumstances should a certificate be issued before the required age is reached;
- the Certificate of Age Form ED-301 must be completed in triplicate: one copy for the minor, one copy for the employer, and one copy for the issuing agent’s files;
- the **Certificate of Age Form ED-301** must be signed by the issuing agent in the appropriate place;
- the issuing agent must maintain a file for each minor who has applied for or has received a Certificate of Age Form ED-301;
- the file should contain a copy of the signed Certificate of Age Form ED-301, a copy of the signed Promise of Employment (refer to page 3), and other supporting documents, e.g., birth certificate, baptismal certificate, driver’s license, etc.; and
- the issuing agent must follow the criteria for issuing a Certificate of Age Form ED-301 as noted on the following page.

PART A – Certificate of Age Form ED-301: Working Papers

2. Criteria for Issuing a Certificate of Age Form ED-301

A minor who wishes to be issued a Certificate of Age Form ED-301 must:

- be 14, 15, 16 or 17 years of age, depending upon the type of employment;
- provide documentation of age or Notarized Affidavit of Parent;
- provide a written promise of employment signed by the prospective employer;
- have an apprenticeship approval card if applicable; and/or
- have Certification Form LED 75-1 if the minor is a student enrolled in a CSDE-approved Career Pathways/Cooperative Work Education Program and is assigned to a worksite experience in a potentially hazardous experience as defined by the CTDOL; and
- appear in person at the local education agency (LEA) or the administrative office of the nonpublic school in which the student is enrolled.

3. Authentic Documentation/Evidence of Age

There are various documents which are legally acceptable as proof of a person's age. The following documents are listed in order of preference; e.g., a birth certificate is preferred over a driver's license:

- a birth certificate issued by a town official;
- a baptismal certificate that shows date and place of birth;
- a hospital certificate imprinted with the hospital's name;
- an attending physician's certificate;
- a U.S. Census record supported by Notarized Affidavit of Parent;
- a Bible record in existence for five years prior to submission;
- a driver's license;
- a passport when month, day and year of birth are listed; or
- official school records.

Persons who were born in a foreign country lacking the documentation may use the following additional sources:

- a vaccination certificate (often used by other countries in lieu of a birth certificate);
- an immigration identification card that includes month, day and year of birth;
- a United States immigration record that includes month, day and year of birth; or
- citizenship papers either of parent or minor.

4. Notarized Affidavit of Parent

Occasionally, a minor will have a written Promise of Employment, but is unable to produce the required evidence of age document. In this case, the parent must swear to the minor's correct date of birth (i.e., day, month and year) in a notarized affidavit. The parent's sworn affidavit may be used as authentic documentation of age.

5. Written Promise of Employment

The issuing agent may exercise discretion in the evaluation process; however, good judgment must be used in determining the appropriateness of the job for the minor.

The written promise of employment must state specifically what job and associated tasks the minor will be performing. No vague job descriptions such as helper, general worker, laborer, maintenance, cleanup, janitor, custodian, sweeper, messenger, errand person, porter, gas station attendant or other title should be accepted. If any changes or alterations appear on the written Promise of Employment, they should be authenticated and verified by the employer's signature adjacent to the change(s). See Appendix B for a sample promise of employment.

PART A – Certificate of Age Form ED-301: Working Papers

A promise of employment should be written on the employer's letterhead. If the employer does not have letterhead, the following are considered acceptable substitutions:

- name, address and telephone number of the firm typewritten or stamped at the top of the written Promise of Employment;
- name, address and telephone number of the firm typewritten below the signature of the employer; or
- name, address and telephone number of the firm legibly handwritten below the signature of the employer.

6. Limitations of the Certificate of Age Form ED-301

The following are some of the limitations that should be considered regarding employment and the issuance of the Certificate of Age Form ED-301:

- Employment in more than one establishment: If a minor is employed by more than one employer, the minor must have a separate, original Certificate of Age Form ED-301 for each employer.
- Out-of-state employment for Connecticut minors: Connecticut's Certificate of Age Form ED-301 is not valid for out-of-state work because the laws and regulations for issuing certificates in other states may not be the same as those in Connecticut. If Connecticut minors are planning to work in a different state, they should be advised to apply for their employment certificates using the process governed by the laws and/or regulations of that state. The reverse is also true, in that employment certificates from other states are not valid for work in Connecticut.
- Out-of-state minors obtaining employment in Connecticut: If an out-of-state minor obtains work in Connecticut and a certificate is required, the minor may **apply to the town where his or her prospective place of employment is located**. If the minor is temporarily residing in Connecticut, the town in which he or she resides also may issue the certificate. Regardless of where the out-of-state minor obtains a certificate, the out-of-state minor must meet the criteria outlined on page 2 of this manual.
- Transfers/Reissues: Each employer of a minor must have a Certificate of Age Form ED-301 for each minor in its employ. A minor's Certificate of Age Form ED-301 is *nontransferable*. Any minor who has lost his or her original Certificate of Age Form ED-301 must apply for a reissued **Statement** in the same manner as for an original application. In order to receive a reissued Certificate of Age Form ED-301, the applicant must meet the same issuing criteria. Occasionally, an employer may misplace, destroy or lose the Certificate of Age Form. In order for the employer to avoid potential penalties from the CTDOL during a Workplace Standards Inspection, the employer should ask the issuing authority for a copy of the original. If the date of the original predates the date of the Workplace Standards Inspection, the penalty is waived.

PART A – Certificate of Age Form ED-301: Working Papers

7. Employment Not Requiring Certificate of Age Form ED-301 (ages 14 and 15)

There are certain areas of employment for which a **14- or 15-year-old minor** does not need to obtain a Certificate of Age Form ED-301. For a complete listing, and further information regarding employment not requiring a Certificate of Age Form ED-301, contact the Connecticut Department of Labor, Wage and Workplace Standards Division, 200 Folly Brook Boulevard, Wethersfield, CT 06109. You may also contact the Wage and Workplace Standards Division at 860-263-6791, or visit their Web site at [CTDOL Division of Wage and Workplace Standards](#).

8. Apprenticeship Programs

Employment of minors in occupationally licensed trades [electrical, plumbing, heating, piping, air conditioning and fire protection (sprinkler fitting)] requires registration as a pre-apprentice prior to the issuance of the Certificate of Age Form ED-301. Apprentices must be at least 16 years of age.

An apprenticeship is usually defined as a prescribed period of time during which an individual (apprentice) learns a trade through on-the-job training and classroom instruction. In Connecticut, apprenticeship programs are usually from two to four years in duration. State law permits a minor, at least 16 years of age, who is enrolled in an apprenticeship or pre-apprenticeship program, to work on jobs considered hazardous when he/she is enrolled in an approved apprenticeship program (or other approved CSDE work experience programs) and is registered as an apprentice with the Apprenticeship Training Unit of the CTDOL.

Please note: No Certificate of Age Form ED-301 shall be issued for apprentice trades UNLESS the minor presents the following documents:

- a fully completed apprenticeship approval card signed by the Office of Apprenticeship Training of the CTDOL;
- authentic documentation of age (Part A, number 3, page 2); and
- a written Promise of Employment.

When such a placement is made, particularly if it is initiated by school officials, employers should be advised of the requirement for a Certificate of Age Form ED-301 so that they will not be liable for a potential penalty if monitored by the CTDOL during a Workplace Standards Inspection.

Additional information regarding approved apprenticeship programs may be obtained from the Connecticut Department of Labor, Office of Apprenticeship Training, 200 Folly Brook Boulevard, Wethersfield, CT 06109. You may also contact the Office of Apprenticeship Training at 860-263-6085, or visit their Web site at [CTDOL Office of Apprenticeship Training](#).

9. Career Pathways/Cooperative Work Programs

The CSDE offers programs in which students participate in structured/mentored, work-based learning opportunities aligned with Career Pathways. Work-based learning placements are typically paid internships for which students earn credit. Some exceptions to hazardous work restrictions exist for students who are approved by the CSDE and CTDOL through the LED 75-1. For more information, contact Harold Mackin at 860-713-6779 or harold.mackin@ct.gov.

PART A – Certificate of Age Form ED-301: Working Papers

General Operational Procedures

In issuing employment certificates to minors, the following procedures are provided to assist the designated issuing agent:

1. Local Program Operations

It is important that the general public be informed regarding the location and hours of operation where they may receive the Certificate of Age Form ED-301. In addition, the local school district, regional school district or private school should make proper provisions for issuing certificates during school vacation periods. To inform the general public about “**working papers**,” various means of communication should be used. Some examples include:

- announcements on local radio or television;
- news items in local newspapers;
- school assemblies, school newspapers or bulletins;
- student handbooks; and
- school district or private school Web sites.

2. Obtaining the Electronic Certificate of Age Form ED-301

The Electronic Certificate of Age Form ED-301 is available to designated agents upon request to Marcy Reed, Education Consultant, Connecticut State Department of Education, Bureau of Health/Nutrition, Family Services and Adult Education, 450 Columbus Boulevard, Suite 508, Hartford, CT 06103. You may also contact Marcy at 860-807-2130 or marcy.reed@ct.gov.

3. Preparation of the Certificate of Age Form ED-301

The Certificate of Age Form ED-301 is an electronic form that must be completed electronically to ensure that all information is legible. If alterations in supporting documents have been made, no Certificate of Age Form ED-301 should be issued. The name of the applicant and the date of birth on each document must be legible and not altered in any form. All forms must be properly signed by the issuing agent.

4. Designation of Agent

State Statute permits superintendents of schools, their designated agents, or supervisory agents of nonpublic schools to issue the Certificate of Age Form ED-301. Issuing agents shall ensure that all statutory and regulatory requirements which govern Working Papers are met.

The CSDE has an electronic process for providing information regarding Designated Agents for Working Papers. The information and the link to authorize designated agents are provided to superintendents of schools or supervisory agents of nonpublic schools. Only superintendents or supervisory agents may authorize designated agents and must make such requests directly to the CSDE, Bureau of Health/Nutrition, Family Services and Adult Education.

Whenever there are any changes in the name of the issuing agent(s), the address of the issuing office, etc., the superintendent or supervisory agent must notify Marcy Reed at 860-713-2130 or marcy.reed@ct.gov.

PART A – Certificate of Age Form ED-301: Working Papers

5. Maintenance of Records

Each issuing agent must maintain a file for each minor who has applied for or has received a Certificate of Age Form ED-301. The file should contain at least one copy of the signed “working papers,” as well as copies of all supporting documents. Each issuing agent should maintain records alphabetically by last name. Records may be destroyed three years after the minor has reached 18 years of age. *For public schools, the issuing agent must get permission from the Public Records Administrator. *However*, if any record is being contested for accuracy, the record must be maintained until the contested record has been resolved.

*Public School districts must comply with the records destruction requirements with the State Public Records Administrator.

6. Programs of Job Training and Work Experience

At times, minors who are students under the age of 18 and enrolled in school programs may participate in job training and work experience programs (e.g., approved Career Pathways Programs, apprenticeship programs). Before supplying an employment certificate, the issuing agent or agents should verify that the minor submits any documents required by the job training or work experience program (e.g., Apprenticeship Approval Card, LED 75-1) for work site assignments in potentially hazardous occupations. In addition to any documentation required for the issuance of the Certificate of Age Form ED-301, these documents must be submitted.

Career Pathways Programs must have all proper documentation (e.g., Apprenticeship Approval Card, LED 75-1 and Certificate of Age Form ED-301) on file prior to the individual starting employment.

Part B – Other Connecticut Employment Certificates

Connecticut has several other types of working certificates or permits for minors, not all of which are issued through the CSDE. The CTDOL issues several certificates or permits.

1. Agricultural Work Permit

When school is not in session, no minor under 16 years of age can be employed in agriculture unless he or she presents to the employer a birth certificate, an agricultural work permit or other legal proof of age. Each employer must retain in his or her possession, and make available to the Commissioner of Labor or his agent, such legal proof of age, until the minor leaves his or her employment. When the minor leaves his or her employment, the employer must return to each minor such proof of age.

2. Apprenticeship Approval Card

In order to receive an **Apprenticeship Approval Card**, a minor at least 16 years of age must be enrolled in an official apprenticeship program and be registered as an apprentice. This card is issued **only** through the CTDOL and must be approved by the Office of Apprenticeship Training. For further information, please visit [CTDOL Office of Apprenticeship Training](#).

3. Vocational Probation/Parole Employment Permit

Certain minors 14 or 15 years of age placed under the jurisdiction of the Juvenile Court or the Connecticut Department of Children and Families may be employed in **nonhazardous** jobs normally restricted to 16- or 17-year olds. **Vocational Permits** are **only** issued through the CSDE's Bureau of Health/Nutrition, Family Services and Adult Education.

The Bureau will issue a **Vocational Permit** **only** upon receiving the following documents: (1) the written approval of the Juvenile Court and (2) a written promise of employment with a specific job description signed by the employer on the company's letterhead. Included in Appendix C, are copies of the **Vocational Permit**, a sample of the Juvenile Court's written approval, and a sample of an appropriate **Employer's Promise of Employment**.

4. LED 75-1: Workplace Learning Experiences for Minor Students in Hazardous Occupations

Minors who are 16 and 17 years of age cannot work on hazardous tasks at an on-the-job training work site **UNLESS** they are student minors enrolled in a Career Pathways/Cooperative Work Education Program, or an approved pre-apprenticeship/apprenticeship program that has been approved by the CSDE and a training worksite that has been approved by the CTDOL.

The local education agency (LEA) must have completed and submitted a LED 75-1, Workplace Learning Experiences for Minor Students in Hazardous Occupations, to the CSDE, for each minor student participating in the work-based component of the Career Pathways/Cooperative Work Education Program. Once approved by the CSDE, the LED 75-1 will be forwarded to the CTDOL for approval. Please also note that the LEA must have completed a Certificate of Age Form ED-301 for each participating student. Under no circumstances should the individual begin hazardous employment tasks until the LED 75-1 has been submitted to the CSDE and forwarded to the CTDOL for final approval.

Each LEA and employer must keep on file, and make available to the Commissioner of Labor and Commissioner of Education or their agents, a copy of the current approved training agreement between the LEA and the employer. These files must include a duly executed copy of each participating student minor's Certification Form LED 75-1 approved by the CSDE and CTDOL, and a duly executed copy of each participating student minor's Certificate of Age Form ED-301.

Part C – Restrictions on the Employment of Minors

The following sections provide guidelines regarding certain restrictions that affect the employment of minors. These guidelines are not intended to be all-inclusive, and cannot be all-inclusive, as many new laws and regulations are passed annually. Whenever there are questions concerning legal restrictions in the employment of minors, we strongly recommend contacting the Connecticut Department of Labor, Wage and Workplace Standards Division, 200 Folly Brook Boulevard, Wethersfield, CT 06109. You may also contact the Wage and Workplace Standards Division at 860-263-6791, or you may visit their Web site at [CTDOL Division of Wage and Workplace Standards](#).

1. Hazardous Employment

No minor under the age of 18 may be employed in any job that the CTDOL declares as hazardous with the exception of minors who are students enrolled in approved programs, or minors enrolled in bona fide apprenticeship programs. For a list of permitted occupations and prohibited places of employment, see Appendix D.

2. Wages

As a general guideline, minors under the age of 18 must be paid for all work that is typically paid work. In addition, they must be paid at minimum wage (i.e., the Connecticut or federal minimum wage, whichever is higher) and must be paid 1.5 times the regular rate for each hour worked beyond the 40-hour workweek. For further information and answers to specific questions regarding wages, please visit [CTDOL Wages and Hours Laws](#).

3. Hours of Employment

No minor who is enrolled in school and under the age of 18 may be employed during school hours. The only exceptions are state-approved apprenticeships; approved Cooperative Work Education Programs, Career Pathways Programs, and Vocational Probation/Parole Employment Programs.

For a list of time and hour restrictions, see Appendix D.

4. Employment Involving a Motor Vehicle

Minors who are 16 years of age **may not drive** as part of their employment. Minors who are 17 years of age may drive up to 25 percent of their work time. Driving is limited to vehicles up to 3/4-ton truck, with proper bodily injury liability and property damage insurance; no forklift trucks and no construction equipment.

Because statutes governing restrictions are subject to annual legislative changes, please contact the Wage and Workplace Standards Division of the Connecticut Department of Labor, 200 Folly Brook Boulevard, Wethersfield, CT 06109. You may also contact the CTDOL Wage and Workplace Standards Division at 860-263-6791.

5. Exemption from Connecticut Child Labor Laws

Connecticut laws allow minors under 18 years of age **who have graduated from high school** to work at the same daily and weekly hours and times of day as adults. Minors who are high school graduates are exempt from the Connecticut prohibitions, **but not** from the federal employment prohibitions.

For a listing of selected Connecticut laws and regulations governing the employment of minors, please visit the CTDOL Web site at [CTDOL Employment of Minors](#)

8 hours per day
6 days per week/48 hours per week

*Minors who are 17 years of age and have not graduated from high school, but are officially withdrawn from school, may work nine hours per day/48 hours per week.

B. Time and Hours of Employment for 14- and 15-Year-Old Minors

Fourteen year old minors may be employed or permitted to work as a caddie or in a pro shop at any municipal or private golf course, and 15 year old minors may be employed in a **mercantile establishment** as baggers, cashiers or stock clerks. The times and hours of this employment **generally are limited to** periods of school vacation, during which time school is **NOT** in session for five consecutive days or more, and with the following conditions:

- 40 hours per week;
- 8 hours per day; and
- only the hours of 7 a.m. to 7 p.m., except from July 1 to the first Monday in September, when the 15-year-old minor may work until 9 p.m.

During the school year, 15-year-old minors employed in a retail food store may only work on a Saturday and for no more than eight hours.

When issuing "working papers" to 14- or 15-year-old minors, the restrictions (**Saturday or School Vacation Only**) must be written on the form.

APPENDIX D

Permitted Occupations for 14- and 15-Year-Olds

- Agriculture
- Street trades (newspaper delivery, shoe shining, baby-sitting, etc.)
- Hospitals (no food service or laundry)
- Convalescent homes (no food service or laundry)
- Hotels and motels (no food service or laundry)
- Banks
- Insurance companies
