

PASSWORD MANAGER

The district maintains a self-service password management system which allows you to reset your network password, unlock your network account and change your network password without having to enter a ticket or seek out support. To get started, follow the steps below.

1 Go to <https://ssrpm.southwindsorschools.org>

3 Enter:

- Your network username
- Your current password
- Our domain: swindsor.k12.ct.us
- The security code displayed

4 Select a question from the drop-down menu and provide an answer. Be sure to use an accurate answer you will remember, you'll need to be able to recall the answer when managing your password.

phone number
First grade teacher
where was your first job
Best Friend Growing Up

You can now reset or change your network password and unlock your network account anywhere you have access to the Internet. Return to the SSRPM site and select the activity you would like to complete.

As a part of the process you will need to enter the domain "swindsor.k12.ct.us" and provide the answers entered during registration.
