

# WORLD MALAYALEE COUNCIL AMERICA REGION ENVIRONMENTAL COMMITTEE

## GO GREEN GROW GREEN

Our goal is to inspire people for planting trees in our community, town, neighborhoods around us thereby creating a positive environment which can provide a solution for the growing impact of climate change and help in reducing the carbon footprint left by us, not to mention the beauty it adds to the surroundings. To achieve this, our mission is to plant trees in the neighborhood areas involving the Community. Let's **BE THE CHANGE TO SEE THE CHANGE**
